- 4. Community Issues/Parish Council Responsibilities:-**
Moy Park – The Clerk reported from the last meeting held on 4th May that Mr & Mrs Robbins are still experiencing noise levels from the site. Cllr. Lorraine Curtis has also visited their property and she could also hear the noise, as could the neighbours in the same vicinity. The sound appears to be coming from behind the shop and is a similar sound to urban turbines. Cllr. Lorraine Curtis to contact Adam Taylor, Moy Park. Cllr. Mervyn Head to give Mr & Mrs Robbins his contact details.
The Clerk had already forwarded notes to the Cllrs. from the meeting.

POST MEETING NOTE:- The Clerk had been contacted by two of the residents that live nearby who raised their concerns about the change. Following on from advice received from the Chair, the Clerk to include this within the response from the Parish Council.

- 9. Code of Conduct Training – feedback from the Parish Clerk** – She advised that we need to ensure that our Policy and the decisions made are in the interest of the public. Our policy must adopt its Code based on the seven Nolan principles. If the Parish Council has cause to deal with a complaint then NKDC has a Monitoring Officer that can deal with it if the Parish Council is unable. The Clerk to check that our policy is up to date and also the policies that we have in place, then include on the Parish website.

- 10. Electoral Review briefings – feedback from the Parish Clerk** – The Clerk had recently attended this session whereby a presentation advised that there may be a change in the boundaries in Lincolnshire to ensure there is a more equal size to each one. This issue came from a recent concern in a village in Lincolnshire.

- 11. Pedestrian Crossing Main Road Anwick** The Chair advised that a pedestrian survey outlined for September will take place after the children have returned to school. Sites suggested are: Zone 1. A153 between old Methodist Church, Zone 2 between River Lane and Church Lane, Zone 3 between Church Lane and Chapel Lane and Zone 4 between old Methodist Church and Glasshouse Cars. Once the date is confirmed then in order to achieve a pedestrian crossing we must be out in full force to cross the Main Road. There are two types a black box or camera to monitor how many people cross the road. The data recorded will include how many vehicles, the type of vehicles, accidents, speed of vehicles. Although it was pointed out that our accidents figures will not help as they are low. Cllr. M Head to email to try and find out when the survey will take place.
