RE: Works at Pilgrims Europe, Main Street, Anwick Village, Sleaford, Lincs, NG34 9SL

Dear Ms Flanagan,

On behalf of our clients, Pilgrims Europe, we write to you with information on the upcoming project at **Main Street, Anwick Village, Sleaford, Lincolnshire, NG34 9SL.**

Although internal works have commenced on the existing area, the main project will begin on 5TH January 2026 and is programmed to last for 52 weeks. Due consideration will be shown to all residents, visitors, and others (inc. businesses) in the area at all times. The rights of way, both pedestrian and vehicular, along adjoining roads and pavements will be kept clear for use of the public at all times.

Existing traffic systems will not be affected by the operations carried out by any work, personnel on-site and access for emergency services will be maintained at all times.

During the project, site will operate generally nine-hour days, five days a week. The normal working hours are 7.30am-4.30pm, Monday to Friday. A site noise restriction is in place, between 8am and 8 pm, excessive noise must be restricted to these hours. Work outside of these hours is highly unlikely and is to be arranged and agreed with the client / principal contractor.

Enclosed with this letter is a location plan detailing the location of the planned changes. The project will consist of a phased redevelopment of an area within the existing factory to create a more usable space for the client.

If you, or any member of the parish has any queries we're more than happy to discuss this with you. Please email us on info@trundley.com

Yours sincerely

Tom Nellist
