2026/30 Update Stream Bio Energy – Cllr. M Head and a resident have spent numerous hours on preparing our response, for which the Parish Council’s very grateful thanks was acknowledged.

The following points were highlighted:-

- There are lots of reasons not to approve the planning application.
- The Parish Council are concerned for residents of the village
- Encourage the Planning Department to read our response in great detail, as it gives stronger reasons not to approve.
- If tanks are reduced in size, they would still be visible
- There is nothing in the plan about what is stored in the tanks
- Capacity 120,000 tonnes plant size. Pilgrims Europe to produce 70,000 tonnes, is there hidden capacity for anything else. Nothing in the plan.

- If it goes to appeal, Lincs County Council does not acknowledge net zero.
- Cllr. L Curtis to contact residents of Greyhound Cottage to express how it is affecting their physical and mental health, as the site would be within their boundary.
- Awaiting Dr. M Bull's report.
- Within the tree belt when there is a prevailing wind from the West, it will trap the smells and noted there is nothing in their planning application.

Cllr. M Head has kindly produced a summary sheet for residents to respond with their personal concerns, health, smells, odour regarding the plant. These summary sheets will be distributed around the village and responses to be forwarded to the Clerk either by her home address or email by 30th July 2026. These objections will be included within our response and will add weight to our objection.

It was PROPOSED by Cllr. M Head and AGREED by Cllr. E Coulson that the report should be submitted.

An EXTRAORDINARY meeting to be arranged for Tuesday 4th August 2026, 6.30pm to agree the report, which will be emailed to the Cllrs. prior to the meeting.
