2026/35 To approve the Parish Council's response to the revised submission from Stream Bio Energy:- Cllr. M Head read out the Executive Summary to the residents which comprised of three pages. The full report contains 67 pages which goes into greater detail. He also referred to the report from Dr. M Bull. Lincolnshire County Council needs to fully read our report as the content is so essential to the area and village. Should Stream Bio Energy defer again, then it would need to be re-submitted through all the planning application again.

Reference was made to Ministry of Defence height and plume height. Anwick Parish Council have asked them twice, but the response received was no objection.

The following points were highlighted:-

- The Public Footpath issue was not addressed, it cannot be closed or blocked off.
- Section 25 Stream Bio Energy have not responded.
- The Parish Council have gone through LCC's report and felt it was not strong enough.
- The height of the tanks was referred to.
- What content are in the tanks 200,000 tonnes.
- Planning Inspection Government body to inspect, may not hear until 2027.

Cllr. T Curtis pointed out the section about road crossing point. If approved would there be a dedicated island, although the width of the road is not sufficient. Cllr. T Curtis to email Cllr. D East.
